- ✓ **Uniforms are not required – appropriate dress according to the district dress code policy**

Registration Deadline: May 18th, 2018

***Space is limited. Identified students will have priority status; other requests will be taken on a first come basis. ***

Synopsis of Activities:

Activities will include daily reading, math, and project based learning. The focus for reading will be strengthening your child's reading fluency and comprehension. The focus for math will be to build fact fluency, number sense, and review of current grade level material. Students will receive 2 books, a reading review packet, and a math review packet to take home. These resources will allow students to continue to solidify their skill foundation after summer school has ended. This will help your student to be successful in the upcoming school year.
